Vinho Verde, Arca Nova
Minho, Portugal 26.95

The Vinho Verde region is located in the north-western corner of Portugal. Quinta das Arcas is a family company with three vineyards in the south-west part of the region. This wine is a blend of three of the regions prized grapes – Loureiro, Arinto and Trajadura. Light-bodied with green apple and minerality flavours finishing with refreshing acidity and a subtle sparkle.

Albariño, Pulpo
Rías Baixas, Spain 29.95

Pulpo hails from the Salmés Valley region of Rías Baixas, located close to the town of Cambados. Here, on undulating hills, the Albariño vines are planted in rocky soils, where they benefit from cooling influence of the nearby Atlantic Ocean. Unoaked, the wine is a bright, pale lemon colour with hints of apple green. Aromas of white flowers, hints of peach and apricot lead to a fresh, fruity palate; it has a lovely intensity and an almost saline minerality.

Moschofilero-Roditis, a.k.a. "White Dot",
Strofilia
Peloponnese, Greece 27.50

Strofilia is one of the most dynamic Greek wine producers, using vines native to Greece. White Dot is a blend of Moschofilero and Roditis, both traditional grapes of Peloponnese. Pale yellow, with aromas of rose petals, lemon blossom and citrus; the palate is characterized by fresh aromatic fruit, backed by a soft round textured finish.

Primitivo, Da Luca
Puglia, Italy 26.95

Located in the heart of Sicily, the wines of Da Luca celebrate the rich Sicilian wine-making heritage and flair for creativity. They collaborate with growers scattered across Italy who share their passion, creating bold and distinctive expressions of the countries most acclaimed grape varieties. Their Primitivo from the Puglia region has a dark liquorice nose, with black cherry, and cinnamon hints; the palate is full-bodied with a dark brooding character and notes of vanilla spice.

Monastrell, Gustavete el Mudo
Alicante, Spain 29.95

The Monastrell grape variety is perhaps best known as Mourvèdre due to it being a component of many a Châteauneuf-du-Pape. It has been farmed in Spanish vineyards for over 500 years, particularly close to the east coast. This rich, fruit-driven example shows the grapes typical savoury, red fruit flavours

Agiorgitiko, a.k.a. "Mountain Fish",
Strofilia
Peloponnese, Greece 27.50

Strofilia is one of the most dynamic Greek wine producers, using vines native to Greece. Mountain Fish is made from 100% Agiorgitiko, grown in its homeland, the Nemea region of Peloponnese. The nose shows notes of wild cherry and red fruits, whilst the palate is smooth, aromatic with a velvety finish punctuated by clove and vanilla spice.
