WELCOME

South Queensferry is full of history and one of the most beautiful little towns in the whole of Scotland. Now, thanks to the vision of a small, dedicated team, it is also home to one of the most stylish and contemporary hotels, bars and restaurants in the country.

Situated right by the water's edge, with a breathtaking outlook over the Forth bridges, Orocco Pier is an incomparable mix of luxury, character and modern chic. With 17 bedrooms, a serviced apartment, gorgeous Seafood Bar and Grill, vibrant café bar, our award winning events venue Fuchsia for your perfect wedding, an outdoor landscaped terrace and three levels of outside decking, it's the perfect place for a rejuvenating break - or simply a great night out.

Orocco has an awe inspiring location, combining cossetting service with a contemporary mindset. Conceived by a desire to deliver style, cuisine and interior design, it is for customers who seek to be part of the energy that defines Orocco's uniquely electrifying spirit.

We believe there is a subtle balance that strips back the non-essential elements of a traditional hotel to create something stylish, cool and accessible.

We're only 20 minutes from the cosmopolitan vibe of Edinburgh and if you have business in the area, you'll find our surroundings can be truly inspirational. Whether you're looking to dine, drink or dream, we look forward to welcoming you to Orocco Pier soon.

This multi award winning venue is open from 7am - 1am, Monday - Sunday.

Free Wi-Fi available throughout Orocco Pier.

Fuchsia is ideal for a wide array of business occasions too – we've hosted product launches, seminars, conferences and training days in this inspirational setting. It is beautifully designed with the most wonderful view overlooking the Forth and those stunning bridges. A large, private decking area allows the party to spill out with access onto the beach.

All of these events are managed by Fuchsia's dedicated events team. This highly experienced group of people will help you create a truly memorable event and can put together a whole event package. Or, if you prefer, we can simply provide the venue, the catering and, of course, the service, and leave the rest to you.

WEDDING PACKAGES

At Orocco Pier, we know that your wedding is one of the most important days in your whole life.

That's why we've worked so hard to create one of the finest hotel wedding experiences in Scotland. Our beautiful surroundings offer the perfect backdrop for your big day, with stylish accommodation and the opportunity to have your ceremony at the water's edge or in the elegant setting of our own events venue, Fuchsia.

We can create your own unique wedding package, from traditional to the more individual, and will be on hand to help you at every stage – during the planning and on the big day itself. Now with our riverside terrace, we also have options for a marquee.

Our weddings are individual and intimate and we can host a formal wedding of 120 and informal of 150. A marquee increases the numbers to 164 in the day and 220 at night. Fuchsia is entirely private and comes with its own decked area overlooking the River Forth and its iconic bridges.
